CHEST PORTAL

A hole has opened up in your chest leading to another dimension! And occasionally... stuff comes through!

Anytime an 11 or 12 is rolled to Hold Back the Darkness, you must roll a D6. On 1, 2, or 3, there is an Ambush Attack! as a Low Threat card erupts from the portal in your chest. These enemies are all placed adjacent to you if possible, but will select targets during their first Activation. On 4 or 5, nothing happens. On 6, something starts itching in your portal and you reach in only to pull out a foreign object. Draw an Artifact from the Mines.
