

- No Fight - Ia Hold Back the Darkness

- 1) Hero with *Lantern* rolls 2D6 (no Grit).
- 2) a) **Doubles** are rolled = **Depth Event** (see *Depth Event Chart* of the appropriate World)
b) **No Doubles** were rolled:
If sum is less than value of the current **Stage** needed, move the Darkness Marker 1 space forward and check for the following:
Blood Splatter: resolve 1 Darkness card
Growing Dread: Draw 1 Growing Dread
:: go to **Ila** ::
- 3) If new Enemies appear, check for:
a) **Normal Attack:** Place in checkboard pattern
b) **Ambush! Attack:** Place adjacent (no **Shootout**) or on the Map Tile as a random Hero as far away as possible (**Shootout**)
:: go to **Iib** ::

- No Fight - IIa Normal Turn

- Players activate in order of Initiative (highest to lowest) and can act as follows:
- 1) Player roll for Movement (Grit for extra move).
 - 2) Move/Heal Hero. Trade Items with other Heroes (only on the same Map Tile).
 - 3) a) **Scavenge** = Roll 3D6 (each 6 is a success)
- Draw 1 Scavenge Card for each 6 and place Scavenge-Token on this Map Tile
- If **Ambush! Attack** occurred, place Enemies adjacent to random Heroes (no **Shootout**). Enemies gain +2 Initiative and go to **Ib**
b) **Look through a Door/Gate**
- Draw random card from Map Deck
- Place new room
- Move *Hero Posse Marker* 1 space forward
- Place Exploration Token on new room tile
:: go to **IIla** ::

- No Fight - IIIa Room Exploration

- After all Heroes were activated and moved.
- 1) Reveal Exploration Token.
 - 2) **Clue (!)** appears:
- If final Clue, ignore everything except **Growing Dread Card**
- Then usually draw Epic Threat (High Threat, if 1 or 2 Heroes) End of turn. **Final Battle (Ia)**
- If not last Clue,
- 3) Roll and place Doors/Gates
 - 4) If **Encounter(s)**, draw and resolve in any order. End of turn and :: go to **Ia** ::
 - 5) If Attack, check for:
a) **Normal Attack:** Place Enemies in Checkboard Pattern. End of turn and :: go to **Ia** ::
b) **Ambush! Attack:** Place adjacent (no **Shootout**) or on the same Map Tile as a random Hero as far away as possible (**Shootout**). End of turn and :: go to **Ia** ::

- Fight - Ia Hold Back the Darkness

- 1) Hero with *Lantern* rolls 2D6 (no Grit).
- 2) a) **Doubles** are rolled = **Depth Event** (see *Depth Event Chart* of the appropriate World)
b) **No Doubles** were rolled:
If sum is less than value of the current **Stage** needed, move the Darkness Marker 1 space forward and check for the following:
Blood Splatter: resolve 1 Darkness card
Growing Dread: Draw 1 Growing Dread
:: go to **Iib** ::
- 3) If new Enemies appear, check for:
a) **Normal Attack:** Place in checkboard pattern
b) **Ambush! Attack:** Place adjacent (no **Shootout**) or on the Map Tile as a random Hero as far away as possible (**Shootout**)
:: go to **Iib** ::

- Fight - IIb Fight Turn (Heroes)

- Heroes and Monsters activate in order of Initiative (highest to lowest) and **Heroes** act as follows:
- 1) Monster Effects (*Fear, Terror*, etc.)
 - 2) Player roll for Movement (Grit for extra move).
To move past Enemies, roll 1 die for **Escape**.
Drag a KO'd Hero (+1 Move per space).
Trade Items with other Heroes (only adjacent).
 - 3) Monster Effects (*Dark Stone Radiation*, etc.)
 - 4) a) **Fight (1 Ranged Attack or 1 Melee Attack)**
- Roll *To Hit*
- Assign Hits (adjacent first until dead)
- Roll **Damage** for each Hit. Subtract **Defense**. Check for **Endurance**, etc.
- Collect XP, if Enemy is dead or wounded
Each Hero may make 1 **Free Attack** per turn.
:: go to **IIib** ::

- Fight - IIb Fight Turn (Monsters)

- Heroes and Monsters activate in order of Initiative (highest to lowest) and **Monsters** of 1 **Type** act as follows:
- 1) Test, if some **Special abilities** are executed (Void Magik, throw Grenade, *Regeneration*, etc.)
 - 2) Move
a) **Shootout.** If adjacent to Hero, roll 1D6 for **Escape**.
- On 4+, makes a **Free Move**, that the Enemy is not longer adjacent to any Heroes.
- On 1, 2, 3 makes a **Melee Attack** against a random Hero.
If not adjacent, target random Hero(es).
Follow the **Shootout** rules.
b) **No Shootout.** Move as far as possible and adjacent to a random Hero it can reach.
:: go to **IIib** ::

- Fight - IIIb Fight Turn (Heroes)

- b) **Help Recover** a KO'd Hero (only, if no Monsters on the same Map Tile). Gain 25 XP.
- c) **Scavenge** = Roll 3D6 (each 6 is a success) (only, if no Monsters on the same Map Tile)
- Draw 1 Scavenge Card for each 6 and place Scavenge-Token on this Map Tile
- If **Ambush! Attack** occurred, place Enemies adjacent to random Heroes (no **Shootout**) or on the Map Tile as a random Hero as far away as possible (**Shootout**).
Enemies gain +2 Initiative and go to **Ib**
- d) **KO'd Heroes Recover** (only, if no Monsters on the same Map Tile).
- Roll once on *Injury/Madness Chart*.
- Heal 2D6 for each zero in **Health/Sanity**.
- 4) When all Enemies are dead :: go to **IVb** ::
If not :: go to **Ib** ::

- Fight - IIIb Fight Turn (Monsters)

- 3) **Attack**
a) **Shootout:** Each Enemy fires 1 or more Shots. Follow the **Shootout** rules.
b) **No Shootout.** Makes 1 Attack against a random adjacent Hero/1 Attack against every adjacent Hero (depends on the Enemy itself)
- 4) Enemies of the same **Type** make any **Special Attacks/uses Special Abilities** (Call for HellBats, Heal Wounds, Shadow Shifting, etc.)
- 5) When all Enemies are dead :: go to **IVb** ::
If not :: go to **Ib** ::

- Fight - IVb End Fight

- 1) a) **Non-KO'd Heroes** that act this turn in the **Fight** *Catch their Breath* and recover any mix of 1D3 **Wounds/Sanity**.
c) **Non-KO'd Heroes**, that did not act in this turn of the **Fight** *Catch their Breath* and recover any mix of 1D6 **Wounds/Sanity** or recover 1 Grit.
b) **KO'd Heroes** Recover and must
- roll once on the *Injury/Madness Chart*
- recover 2D6 for each Zero in **Health and Sanity**
- 2) If Heroes won, each Hero collects 1 **Loot Card** per card or circumstance, that place a **Monster** (max 3 **Loot cards** + max 1 extra **Loot card** for *Adventure*, etc.)
- 3) If **Final Fight**, :: go to **V** ::
If not :: go to **Ia** ::

V Travel to Town

- Each Hero must roll 1D6 per Dark Stone (and Icon).
On a roll of 1,2, or 3 take a Corruption Hit.
- Restore each hero to Fully Health and Sanity and give each 1 Grit.
- The Hero Posse decide to travel to a
 - Small Town (4 Locations):** every Hero rolls 1D6. On a roll of 1, 2, or 3 add Travel Hazard
 - Medium Town (6 Locations):** every Hero automatically has a Travel Hazard
 - Large Town (8 Locations):** every Hero automatically has a Travel Hazard and has to roll 1D6. Add an additional Travel Hazard on a roll of 1, 2, or 3.
- Each Hero rolls his Travel Hazard(s) on the Expanded Travel Hazard Chart one at a time.

:: go to VIa ::

VIa Preparing Town

- Roll 2D6 for a Special Town Type:
 - 2 = Town Ruins
 - 3 = Haunted Town
 - 4 = Plague Town
 - 5 = Rail Town
 - 6, 7, 8 = Standard Frontier Town
 - 9 = Mining Town
 - 10 = River Town
 - 11 = Mutant Town
 - 12 = Outlaw Town
- Place the Towncharts (appropriate Size and eventually Special Town Chart) on the table
- Search for the always included Locations of the Special Town. Put them aside and shuffle the rest of the Locations.

:: go to VIb ::

VIb Preparing Town

- Draw randomly a Location for each other empty space. Shuffle the always used Location and the randomly drawn Locations together and put them in the empty Town spaces (one marker per space).
- Place the Darkness Marker on Day 1 of the Town Event Track.
- Determine if any buildings are destroyed (if failed last Mission or because of another events). Turn the appropriate Location Marker upside down (the black side has to be at the top).
- Each Hero gains 1 Unwanted Attention Marker for every Mutation exceeding 3.

:: go to VIIa ::

VIIa In Town

- Draw 1 **Daily Event** card. If the Hero Posse is in a Special Town and the card says *'Just another Day on the Frontier'*, roll a D6 on the **Special Town Daily Event**.
- Choose where to stay (a) or (b):
 - Hotel:** Pay \$10
 - Campsite:** Roll 2D6 on the **Camp Site Hazard Chart**.
- Interact with 1 Location:
 - roll 2D6 and resolve Location Event
 - While a Hero has 1 or more **Unwanted Attention markers**, any time they roll a 7 on a Location Event Chart or at the end of ANY Location Visit where the Hero won at least \$500 from **Gambling**, they must roll to see if they are attacked! Roll 1D6 for each Marker. If any of the dice roll a 1, roll 2D6 on table:

VIIb In Town (UA)

Unwanted Attention Risk Table:

2D6	Result
4 or less	You are shot in the back and Killed!
5	Lose 1 Health permanently
6	Lose 1 Sanity permanently
7	Robbed! Lose 2D6 x \$100
8-9	You avoid the attack, but are shaken by the experience. Your Town stay ends immediately.
10+	You slip down a side alley to avoid the would-be assassin! For the rest of this Town Stay, you are an extra -2 to rolls on this chart (this may stack).

Then you may interact with location, if you are not leaving Town or be killed.

VIIc In Town

- Gain 1 Unwanted Attention Marker for acquiring any gold at the **Gambling Hall** or **Saloon**
- End of Day. Roll 1D6.
 - If the result is **equal to or lower** than **Darkness number** then roll and resolve **Town Event Chart**.
- Choose (a) or (b):
 - Stay:** move Darkness Marker to next day.
:: go to Step 1 on V ::
 - Leave:** *:: go to Next Adventure ::*

*Each Hero Recover 1 Grit before starting the next Adventure!
The Wounds/Sanity Damage are taken into the next Adventure!*

Use these tokens for the option *'Interrogate Prisoner'* in the **Sheriff's Office**.
