FANGS

Mutation

You have grown large, sharp fangs that protrude from your mouth.

You gain a Bite Free Attack - Once per turn. 1 Combat, uses the D8 for Damage. If this Bite attack wounds a Void Enemy, you also take 1 Corruption Hit.

SECOND HEAD

Mutation

They say two heads are better than one...I'm not so sure.

You may now use 2 Clothing - Hat Items and you are +1 Initiative. However, any time you roll a natural 6+ for movement, you lose your Activation, as your two heads are arguing over where to go next.
