

CHEST WOUND

Injury

Deep gashes run across your chest, making it hard to turn or twist your body — it's kind of painful to even breathe.

You are -1 Initiative.

$$+ = 10$$

WIND KNOCKED OUT

Injury

You pick yourself up and shake yourself off! It's a little hard to catch your breath, but you'll be ok.

There is no long lasting effect.

$$+ = 11$$

NEW SCARS

Injury

You're a bit of a mess, but it's all superficial. In a lot of ways, you look tougher!

You are +1 Max Grit.

$$+ = 12$$

CONCUSSION

Injury

Your ears are ringing a little and you have a headache that won't quit!

Until the start of the next Adventure, you are -1 Initiative and roll one less dice on all Skill Tests.

$$+ = 7$$
