

FUSED FINGERS

Mutation

Your fingers have fused together making it impossible to do any fine manipulation.

You may not use Gun Items (unless it is an Artifact card).

6 3

EYE STALKS

Mutation

All of your Critical Hits are +1 Damage. You are also -1 Corruption Resistance.

6 4

VOID SPEECH

Mutation

You can now understand what Void creatures are saying as they hiss and growl. This is unnerving to the extreme, but can give you a leg up in a fight.

At the start of each turn, if there are any Void Enemies on your Map Tile, you are +1 Initiative, but you also take 1 Sanity Damage, ignoring Willpower.

6 5

CHILD OF THE VOID

Mutation

You have grown the upper torso of a small humanoid like creature out of your lower abdomen (you must name them).

You are +1 Lore and, while in an OtherWorld, +1 Initiative. You are also -1 Corruption Resistance.
